March of 2019

To our Valued Customers,  
Dear Sirs / Madams,

### **INVITATION FOR ITMA 2019**

Thank you very much for your supports to Hisaka dyeing machines and other equipment.

On this June, we are participate ITMA 2019 International Textile Machine Exhibition in Barcelona. We would like to invite Sirs /Madams to our booth, and will present our products and manufacturing solution to fulfill your demands.

In our booth, we will exhibit our New Machine, Panels and Samples from different process field to present our originality. We are considering sustainability such as less water consumption, less space and labor saving.

We are looking forward to meeting you in our booth.

Yours faithfully,  
HISAKA WORKS, LTD.
